Events Organized

JNTU Youth Festival: JNTU has issued a circular in January-2019 that they are conducting a Youth festival in the campus and asked for the participation of students from all affiliated colleges. As per their circular BIET NSS cell also decided to send students to participate in the event. A circular has been sent to all departments about the same. As we have got many enrollments interested in participating in the event, we initially conducted auditions in BIET campus for three days to make the final selection list. A total of fourteen students along with Mr.T.Ramachandru, NSS Program Officer have participated in the event at JNTUH on 03-02-2017. And we got the second prize by classical dance.
