About BIET

Bharat Institute of Engineering and Technology (BIET) is the biggest Star Institution amongst the Colleges being administered by Sri Chinta Reddy Madhusudhan Reddy Educational Society, a philanthropic society known for its societal mission. BIET started functioning from the academic year 2001-2002 and subsequently grown to attain Accreditation from National Board of Accreditation, New Delhi in September, 2007.

BIET is located on a beautiful landscape of 100 acres among lavishly grown green meadows, surrounded by flowering gardens with artificial water ponds. The greenery around is very conducive for a wholesome, healthy academic learning.

Presently BIET is imparting quality education to B.Tech, M.Tech, MBA & MCA Courses. BIET Library is one of the finest Knowledge Centre, for the students and faculty with over 35,000 Volumes of 7,500 titles, 120 journals & magazines and 3,000 CD ROMs on modern technical topics. It has a digital library with an unlimited access to all international 'e' journals. All the 650 computers in the College are networked through a optical fibre system and has access to internet cloud through a 6MB connectivity. Mostly, modern methods of teaching like 'E' class rooms, class rooms equipped with Digital LCD projectors are being adopted. A large Auditorium with a modern Audio Connectivity is catering to the needs of conducting technical seminars, conferences, workshops etc.

About The ECE Department:

The ECE Department was established in 2001 and is accredited by NBA. The department has state-of-the-art infrastructure, facilities and well qualified and accomplished faculty members. The department offers both B.Tech and M.Tech courses. The intake each year for the B.Tech program is 120 and for the M.Tech Program (Embedded System) is 18. The department has been awarded projects by AICTE and Defence Organizations.
